

WHITE ELEPHANT EXCHANGE

- Everyone randomly picks a number.
- Number 1 picks a gift and opens.
- Number 2 can steal the opened gift or select a wrapped gift.
- If your gift is stolen, you can choose a new gift to unwrap.
- Continue in order until all gifts are unwrapped.
- Each gift can only be stolen 3 times. The third thief is the True Master.
- After all gifts are unwrapped, Number 1 has the option to keep the gift they have or steal another.
